Suggested Schedule for District Committees

SUMMER: Persons who wish to pursue candidacy in preparation for Local Pastor status should get started. This will allow time for psychological testing and other work to be completed prior to the start of License To Preach School. If the person is not interested in attending License To Preach School at the session beginning in January, then beginning in the Summer is not as urgent.

FALL: District Committees should meet with persons wishing to become certified candidates and attend License to Preach School beginning in January. Local Pastors who have completed the Course of Study School requirements are to be interviewed annually with DS signing and dating the back of their License for Pastoral Ministry certificate.

MARCH/APRIL: Spring interviews conducted by Conference Board of Ordained Ministry Division of Local Pastors in bi-district regions of the state for those local pastors who have not completed the 5 year Course of Study School requirements and those seeking a change in status (part-time to full-time, associate membership, probationary membership).
