As per the 2008 Book of Discipline Par. 340.2.c.2.e., page 252, the pastor is "To lead the congregation in the fulfillment of its mission through full and faithful payment of all apportioned ministerial support, administrative, and benevolent funds." And 340.2.c.2.f., the pastor is "To care for all church records and local church financial obligations...." which means that the pastor needs to review the Apportionment Remittance form each month before forwarding it to the church treasurer for payment.
