

## Welcome to Youth Service Fund Sunday

### **Youth Service Fund is:**

- ⇒ Money raised by youth, distributed by youth to projects which benefit youth!
- ⇒ A way for youth to reach out to service beyond the local church and make an impact on the world!
- ⇒ A way to do something together that we could not do individually!

### **How It Works:**

- ⇒ Money is raised at the local church or district level, this money is then sent to the Louisiana Conference Office.
- ⇒ Thirty percent of this is sent to the National Youth Ministry Organization where it is distributed world-wide,
- ⇒ Seventy percent stays here until the YSF Project Review Committee (youth and adults) make decisions on grants (up to thirty percent may be used for administrative costs).

### **Suggestions for Your Church:**

- ⇒ Honor a YSF Sunday in your church. Let the youth lead worship and challenge the congregation to donate.
- ⇒ Sponsor a fund-raising event especially for YSF: sell candy, bake sale, car wash, move-a-long-a-thon, penny wars, talent show, dinner theater, the possibilities are unlimited!!!
- ⇒ Have fun with each, celebrate God's faithfulness in your life and respond to God's call to be faithful to God!
