Suggested Schedule for District Committees

LATE SUMMER/EARLY FALL: District Committee meets to interview persons who are in seminary (elder or deacon), and those who will be graduating/completing their educational requirements the following May and seeking recommendation for provisional membership at the next Annual Conference.

RATIONALE: Recommendation must be received by the end of the calendar year prior to the Annual Conference at which provisional membership is granted. Some seminary students are doing internships at this stage of their education. Also travel back to Louisiana from seminary can be difficult.

FALL: District Committees should meet with persons wishing to become certified candidates for Ordained Ministry as well as those continuing candidacy through the DCOM's annual recommendation.

EARLY SPRING: District Committees should meet with persons wishing to become certified candidates for Ordained Ministry as well as those continuing candidacy through the DCOM's annual recommendation that were not interviewed in the Fall.
