*“Church Starts Ministry
is open to the creative
movement of God’s spirit,
not institutional priorities,
in order to serve the
mission.”*

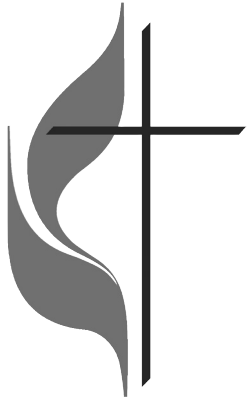

Church Starts Ministry

**Opening Doors
for Tomorrow**

In partnership with the
Louisiana Annual Conference

What gets ministry started? **Church** starts ministry.

Church Starts Ministry (CSM) was formed in 2013 to assist the Louisiana Annual Conference in planting and constructing new churches; restarting, relocating, and renovating existing churches; and in assisting existing churches in building repairs for missional purposes.

This ministry is a second-mile giving opportunity directed by the Conference Board of Laity, working closely with the Conference Director of Church Development and Transformation. Money for

CSM is raised by each District yearly through donations by local churches and interested individuals. An Appropriations Committee, composed of the Conference CSM Director, District CSM chairpersons, Conference Board of Laity Treasurer, and Conference Director of Church Development and Transformation will meet quarterly to select the grant recipients and develop policies for the CSM funds.

Our action plan

- Have each Conference District identify a lay person to serve on the Conference Committee of Church Starts Ministry.
- Educate individuals in the Conference of the purpose of Church Starts Ministry.
- Develop and sustain a partnership with the Director of Church Development and Transformation.

Family and Friends Day "Soft Launch" at The New Church on Louisiana Avenue in Lafayette, Robert Johnson Pastor.
